ALBANY, GA -- Bishop is hosting a town hall meeting at the Marine Corps Logistics Base. The meeting will focus on quality of life issues. Lt. Kyle Thomas says this is a great opportunity for service families to discuss their questions and concerns. "We think we're going to have a pretty big showing tomorrow in the base theater in which it will be held. It's scheduled for an hour and a half so that will be the time for spouses especially to discuss issues with him," says Thomas.

Thomas says the base is excited to host the meeting.
